International Maritime Organization Global Integrated Shipping Information System · data as of: 2025-10-11 (collation date); latest export window ends 2025-10-10

International marine casualty analysis

Marine casualty records are grouped by severity, vessel type and flag state. Recorded occurrences span 1900-01-01 to 2025-06-09.

WHAT YOU GET

- Severity and vessel-type distributions
- Flag-state comparisons and occurrence-year trends
