BSEE Well Activity Reports

Drilling & completion days

WAR-derived drilling and completion durations across the Lower-Tertiary deepwater fields, with medians by field and full depth context.

217	12	38 / 24 d
wells	fields	median drill / compl.

WHAT YOU GET

- Spud→TD drilling and TD→final-activity completion spans
- Per-field medians robust to sidetracks and recompletions
- Deterministic from a frozen WAR-derived reference workbook
