BSEE Well Activity Reports · directional surveys

Well operations

Drilling and completion performance and well geometry reconstructed directly from BSEE Well Activity Reports for the Lower-Tertiary deepwater play.

217	12	38 / 24 d
wells	fields	median drill / completion

WHAT YOU GET

- Spud→TD drilling and TD→final-activity completion spans, medians by field
- Per-well depth and water-depth context (to 37,743 ft MD)
- Interactive 3D directional surveys from one frozen data contract
